

WEST COAST RANGERS

SUMMER FOOTBALL JUNIORS

Waitakere City FC and Norwest United FC are excited to once again run our Summer Football League and registrations are open for all teams that want to play.

Summer Football for juniors is different from winter leagues in many ways. The main one is you do not have to belong to a club, be registered to NZ Football or even have played the game before. Summer Football is all about having a fun kick around with your firends.

You organise you own team of school friends, mates, colleges or family to play. No fuss, just great times.

Leagues are open for mixed teams of boys and girls for ages,

7-8yrs

9-10yrs,

11-12yrs

Youth and Seniors *

(All Youth and Senior games will be held at Huapai Domain. Please see the website for the Youth and Senior registration form)

All junior games are Friday nights at Fred Taylor Park, starting November 2nd and will run for 14 weeks with a xmas break. The first games of the night kickoff at 4:45pm (7-8th grade).

Fees for the 2020-2021 summer football will be \$200 per team.

All teams play a round robin type competition with the winners crowned on the final day. There are Player of the Day awards for every team and spot prizes to hand out every week up in the club rooms after the games.

Results will be updated weekly on the Summer Football facebook page and a link will be available to the draw on Bracketcloud.com

Our brand new Kitchen will be up and running and the bar too for Mums and Dads.

So get your team together and come have some great end of the week football and fun at Fred Taylor Park.

Below is a team registration form and competition rules.

WCR 7 A SIDE Summer League Playing Rules.

ALL AGE GROUPS WILL PLAY BASIC WINTER RULES BUT WITH THE FOLLOWING SUMMER RULE ADAPTATIONS.

1. Goals cannot be scored from inside the goal semi circle, painted on the field, only the goalkeeper is allowed in the box. If an attacker goes into the goal area a free kick is given on the edge of the goalkeepers area and taken by the keeper. If an attacker shoots from outside the goal area and scores BUT his movements take him in the area afterwards, it is a goal.
2. If a defender intentionally steps into the goal area a penalty will be given to the attacking team, two meters out from the goal box. Discretion should be used in 7-8th grade with regard to this rule. This is the only time a penalty can be awarded in summer football.
3. There will be no offsides except at kick off.
4. Maximum 7 players on the field at any time including the goal keeper. Teams can have as many subs as they want and substitutions can happen at any stoppage of play.
5. NO SLIDE TACKELS. All players must stay on their feet at all times. A free kick will be given to the opposition if a player attempts to or does a slide tackle. Any tackles from behind or that have a malice intent , that player will be cautioned and a free kick awarded to the opposition.
6. Goalkeepers cannot pick up the ball with his or her hands outside their goal area. Should this occur it is a direct free kick from where the offence occurred. If within 2 meters of the goal area the ball moves back to 2 meters. The defending team is allowed to put up a wall as it is not a penalty.
7. Goalkeepers can only kick the ball from the ground, or throw it. No kicks from out of their hands. If a goal keeper kicks the ball from their hands it is an indirect free kick from where the ball lands.
8. No goal kick or throw from the goalkeeper can land over the halfway line on the full. If this occurs a free kick from the halfway line is awarded to the opposition.
9. A throw in's should be thrown correctly and corners as per normal winter rules. As in winter rules a goal cannot be scored from a throw in unless touched by another player, including goalkeeper.
10. Shin pads are compulsory.
11. Games for all grades will be 40mins (20min halves) with a 5min half time break.

These are kids.
This is a game.
The coaches are volunteers.
The referees are human.
This is not the World Cup".
